natterhub
preparing children to thrive online

These programs of online safety & media literacy lessons have been designed to cover as many curriculum targets as possible, whilst fitting into your busy schedules.

They align with the Planning tool in your Natterhub account, so all you have to do is select your year group and Program, and Natterhub does the rest for you!

The following document has been created to give you an overview of what lessons are included in each Program.

You will see **Teacher Led** and **Natterled** lessons mentioned throughout. **Teacher Led** lessons have been created for teachers to lead with their whole class or groups. **Natterled** are lessons which can be posted to the news feed by the teacher for pupils to complete independently in the classroom or at home.

We've made planning and assessment simple to save you time and ensure full curriculum coverage.
